Commissioner for Patents

Upon review of the Notice of Allowance mailed July 27, 2006, it was noticed that claims 143-149 were inadvertently listed as being allowed. However, since these claims were cancelled by the May 5, 2006 amendment, they should not have been included. Applicants are respectfully requested to update their file to be consistent with the corrected notice of allowance.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Examiner Paul B. Prebilic whose telephone number is (571) 272-4758. He can normally be reached on 6:30-5:00 M-Th.
